

## List of Quoted Projects

### Power & Energy Solutions

Client	Project
Central Electricity Generating Company	Turbine Supervisory System for Unit 1 & 2 Project.
Electricity Distribution Company	System Control & Data Acquisition of Disi Water Drawing Project.
Electricity Distribution Company	Single Phase Hand Held Power Quality Analyzer.
Electricity Distribution Company	Pilot Cable.
Electricity Distribution Company	Fault Indicator with CT.
Jordanian Electric Power Company	11 KV Feeder and Bus Section Circuit Breakers.
Jordanian Electric Power Company	33 KV Outdoor Distributions Transformers.
Irbid District Electricity Distribution Company	Portable Energy Analyzer & Portable Load Analyzer.
National Electric Power Company	132 KV Switchgear & Ancillary Equipment for New Bayader Extension 132/33KV GIS Substation.
National Electric Power Company	Earthing Resistance and Dielectric Testing Equipment.
National Electric Power Company	NATIONAL ELECTRIC POWER COMPANY AMR and Metering System.
National Electric Power Company	400 KV Current Transformers.
National Electric Power Company	Transformers & Associated Equipments for Al-Hezam & Extension of New Bayader 132/33 KV Substations.
National Electric Power Company	400 KV Current Transformers.
Samra Electric Power Company	Current Transformers & Voltage Transformers.
Ministry Of Water And Irrigation	Cables and Electrical Panels.
Electricity Distribution Company	Supply of Three Phase KWH Static Meters with Accessories.
Electricity Distribution Company	Supply of LV Current Transformers & Photo Cell.
Jordanian Electric Power Company	Three Phase Electronic Meters Operated with Current Transformers.
Jordanian Electric Power Company	33 KV CT / VT Units for 3 Phase Metering.
Jordanian Electric Power Company	Electronic Single Phase L.V. Meters.
Jordanian Electric Power Company	Fiber Modems.
Jordanian Electric Power Company	Remote Terminal Units.
Jordanian Electric Power Company	Electronic Three Phase L.V Meters.

## List of Quoted Projects

### Power & Energy Solutions

Client	Project
Jordanian Electric Power Company	Hand Held Units.
Jordanian Electric Power Company	11/0.415KV Distribution Transformers as a Part of Package Substations.
Jordanian Electric Power Company	Split Core Current Transformers.
Jordanian Electric Power Company	Contract for billing services to subscribers, including meter reading on a monthly basis and billing at the site and delivered to subscribers.
Jordanian Electric Power Company	33/0.415 & 11 KV Outdoor Distribution Transformers.
Jordanian Electric Power Company	11/0.415 KV Indoor/Outdoor Ground Mounted Distribution Transformers.
Miyahuna	Supply of Electrical Auto Transformer Panel Starter.
Electricity Distribution Company	Two-Years Call-Off Contract for Supply of KWH Static Meters.
Electricity Distribution Company	Monitoring and Control System of OHL and Underground Cable Protection Equipment.
Jordanian Electric Power Company	33KV Outdoor Distribution Transformers.
Jordanian Electric Power Company	Three - Phase Electronic Meters Class 0.5S (LT – CT).
Jordanian Electric Power Company	11 KV Indoor Switchgear.
Jordanian Electric Power Company	33 KV Indoor Switchgear.
Jordanian Electric Power Company	11/0.415 KV Indoor / Outdoor Ground Mounted Distribution Transformers.
Jordanian Electric Power Company	High Tension CT/VT Three Phase Electronic Meters.
National Electric Power Company	Supplying of Diesel Generator.
International Relief and Development	Diesel Generators.
International Relief and Development	64 KVA Portable Diesel Generator.
Norwegian Refugee Council	Electrical Generator(50, 60 KVA).
National Electric Power Company	Green Corridor Project - High Voltage Substations, Ma'an (400/132KV).
National Electric Power Company	Green Corridor Project - High Voltage Transmission Lines (400 KV and 132 KV) lines in two Separate Lots
