2019 - 2020 - 2021		
Hashemite University	Structural Systems Laboratory equipment and devices, including but not limited to: Industrial Outdoor Shake Table 3*3m, integrated with 2 Hydraulic Pumps, Water Chillers and Controllers. Backhoe Loader, Industrial Structural Frame, Vibrating Table, Convection Oven, different types of Table Saws, Industrial Drills, Data Acquisition System with Strain Gauges, Potentiometers, Accelerometers and Transducers. Other items needed to complete the operation of the lab such as: tools, workshop equipment, molds, high strength bolts and starps	1,935,729
Isam Khairy Kabbani Glass Works Co., Jeddah - KSA	1.4058 MWP PV solar plant, EPC basis, net metering connected	1,046,600
Hashemite University	Engineering Faculty labs equipment	33,350
University of Jordan	Operation and maintenance for automatic weather station	600
United Nations High Commissioner for Refugees	Back-up contract, 2 years operation and maintenance of 5 MW PV power plant	158,544
2019		
Mutah University	Medical lab equipment	9,153
Jordan Meteorological Department	Barometers	9,350
Private Resident Extension - villa, Assalt	3.78 KWP PV solar plant, EPC basis, net metering connected	2,248
Private Resident Extension - villa, Amman	1.89 KWP PV solar plant, EPC basis, net metering connected	2,268
Private Resident - villa, Amman	4.73 KWP PV solar plant, EPC basis, net metering connected	2,000
2018		
Al Hussein Technical University	Mechanics and hydraulics lab equipment	3,398
Al Hussein Technical University	Construction technology lab equipment	2,385
Ministry of Water and Irrigation	Telemetric Water Resources Observation Network; Operation and maintenance of 145 stations	35,155
Ministry of Energy & Mineral Resources	Investment Opportunities in Renewable Energy Projects - Stage 3 // 100 MW wind energy - Pre-qualified	NA
Al Hussein Bin Talal University, Ma'an	20 MW PV Solar Plant - 20 years PPA -- Under PPA Stage	20-24 M \$
Ramadan Mosque, Amman	22.68 KWP PV solar plant, EPC basis, net metering connected	13,900
